Faith as a Way of Life

Habakkuk was a prophet. He spoke God's words to the people. He wanted to give them good news. But he had no good news to give.

"I don't understand," he complained to God. "Some people love you very much. They do what you ask. They are kind and loving. But people who are mean and who don't listen to you always seem to win. It's not fair. You're supposed to help! Where are you?"

God comforted Habakkuk. "I am here. Things will get better. You may need to wait a long time, but I will always be with you."

Habakkuk nodded. "I trust you, God. I have faith in you. No matter what happens, no matter how bad things get, I will still sing praises to you. You take care of your people no matter what!"

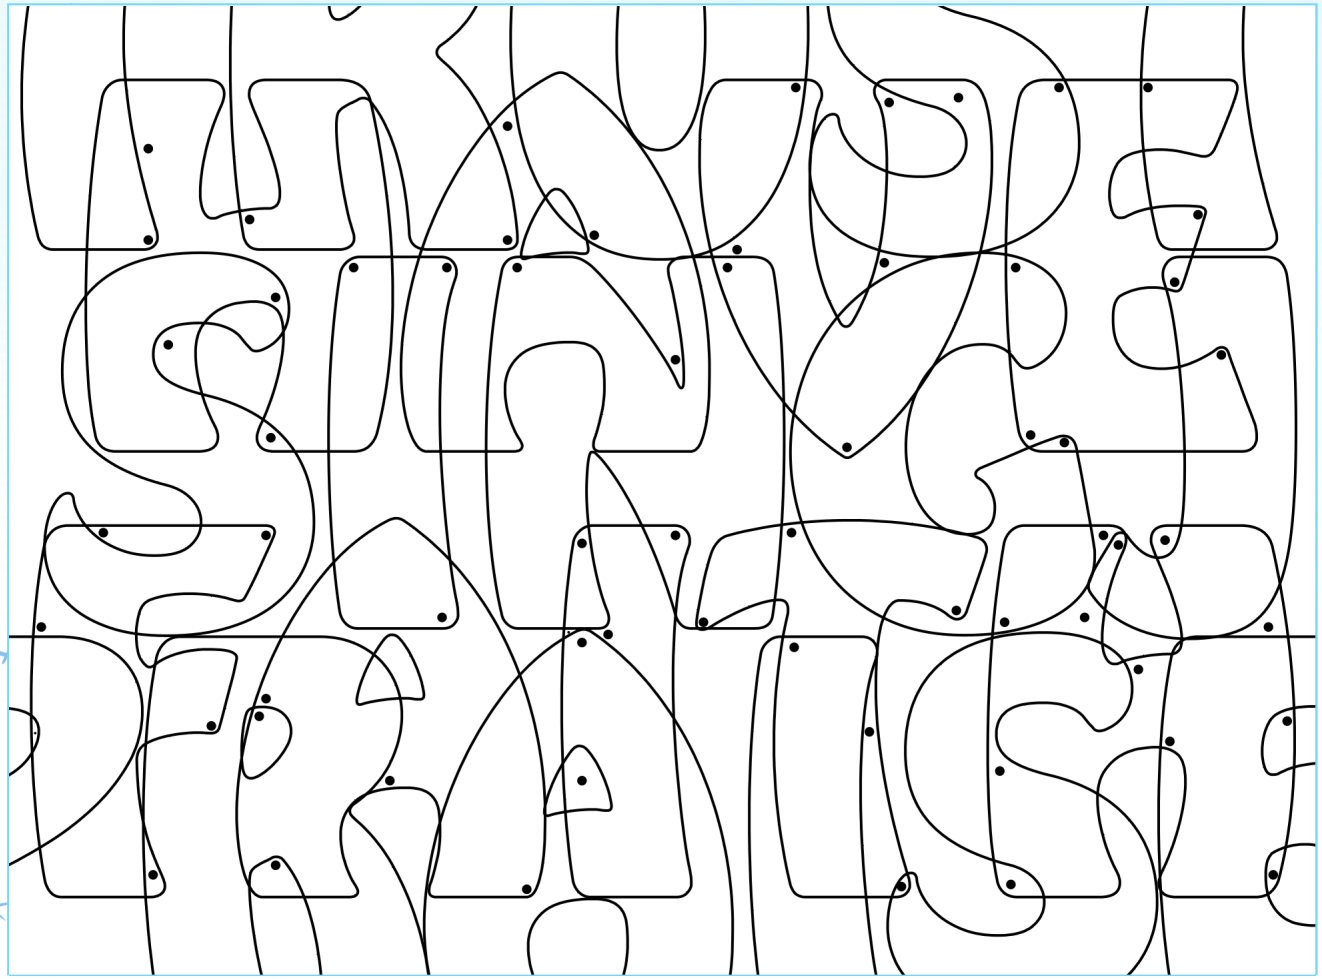

REMEMBER THIS

FAITH

Having faith means trusting in God even when things aren't going very well for you.

THE PROPHET'S MESSAGE

Color the shapes with dots to see what Habakkuk decided to do even when things were hard. Note: Some spaces (and dots) are teeny tiny!

Did You Know?

There are lots of songs about singing praise to God even when things are hard or sad. Some examples are "When Peace Like A River" and "Now Thank We All Our God," a song of praise which was written by a pastor in the middle of a terrible war.

TRY IT AT HOME!

Write a letter to someone who is having a hard time and tell them how much God loves them and how much you love them.
